Dear Applicant,

We commend your initiative in applying for selection into the National Honor Society Chapter at St. Peter Chanel High School. If you are selected, you will become part of a prestigious organization that honors those who have exhibited excellence in the area of Scholarship, Leadership, Service and Character.

In order to be considered for selection, you must meet the minimum 3.300 accumulative grade point average. Along with this academic criterion, you must also give evidence of your wholesome character, outstanding leadership and exemplary service. The attached form is your way of giving us some of this evidence. This form and your typed essay are to be returned in an envelope marked "NHS Application" to the main office no later than 3:00 p.m. Friday, February 1st, 2013. Any applications received after this date and time will not be considered. Please fill it out as completely and accurately as you can in order to give the independent Faculty Board as much information about you as possible.

If selected by the independent board, you will be notified in February. Once selected, you will be inducted at the NHS ceremony in mid-March. You will be expected to attend all meetings and participate in the many service activities sponsored by NHS, as well as maintain a minimum 3.300 G.P.A. This is important to consider, especially if you have a very full schedule of involvement in activities outside of Chanel. If you do not maintain a high level of achievement and participation, you may be declared inactive and lose the rights and privileges inherent in NHS membership.

Sincere congratulations on your decision to apply for NHS membership.
